Dear Friends,

As long as I can remember, my desire in life has been to work with people who are stuck and troubled. As I sit here today, I cannot imagine anything that could fulfill my desires as well as working with poor, needy or homeless men and women. I truly feel as though I was born for this work.

I firmly believe that God is sovereign. Scripture is clear that one man sows, another waters, but both are described as "nothing" in the progress, as God alone gives the increase. (1 Corinthians 3:7)

Certainly one could take from that passage that our part does not matter much in the process. Any old sowing and any old watering should be enough.... since God does the important work, right? Yet I am not at peace thinking in those terms. It seems clear that excellence ought to be our goal in whatever we do.

Here at HRM, that is our prayer, we will use every tool available to help those in need and we will work very hard, always knowing, and trusting that the Lord is the one who changes lives.

Likening HRM to a hospital setting we are the "Emergency Room" for the spiritually and emotionally broken of our world. In this ER, we will work hard with the best instruments at our disposal (caring compassionate people like you-donors, volunteers, prayer partners) all the time trusting the Lord to heal and restore our guests.

Our plan from the beginning has been to do everything we could think to do and trust in the Lord for success while doing it. Our logo reads: "God's Will, His Work, Our Hands"!

Please continue your support which enables us to offer help, hope and the Life changing message of God's love through Jesus Christ. As the months of cold weather sets in we want to be prepared to continue to serve hot, nutritious meals to all and to have a warm place where individuals and families can find rest and care.

Presents its FALL FUNDRAISER
Family Comedy Night

We need your help as we anticipate the needs of the poor, needy and homeless men, women and children in the Hartford area this winter. We want to be prepared to continue to serve hot, nutritious meals to all and to have a warm place where individuals and families can find rest and care.

The Hartford Rescue Mission is a Christian organization which has offered help to those in need in the greater Hartford area since 2005. Currently, we provide an evening meal four days a week and distribute clothing and hygiene products to those in need.

Join us for an evening of fun and learn more about who we are and how you can partner with us as we plan for the future.
